Another Victory for Southwest Signs

San Antonio, TX – September 12, 2008

TJ Maxx, parent to HomeGoods, Marshalls and A.J. Wright, has awarded Southwest Signs with an annual contract, signed August 2008 for all refinishing, renovating and installation of new signage in their Southwestern region locations. Based on forecasting and customer expectations, Southwest Signs should be renewing their contract with TJ Maxx before the first annual contract expires.

Southwest Sign Group, a full spectrum sign manufacturing company, was established in 1946 and has been successfully managing national, local, hospitality and custom accounts for the past sixty years. Their corporate headquarters, located in San Antonio, TX, is where they specialize in the conception, design, and installation of all national sign programs.
