

*Working wonders for your image.*

*Your good name. Your reputation.*

*Your redeeming qualities. They all*

*start right outside your company's*

*front door with your signage. You*

*need signage that looks attractive.*

*Gets noticed. And reinforces all*

*the key aspects of your business.*

*You need high-quality signage from*

*a company with the expertise,*

*resources and dedicated personal*

*service to help you stand out in a sea*

*of competition. In short, you need to*

*work with Southwest Signs.*

***The difference is plain to see.***

## ***A History of Committed Service***

Since 1946, Southwest Signs has developed and supported local, regional and national signage programs for some of the most recognizable brands in the country. Based in San Antonio, Texas, we are a full-service, privately owned sign company dedicated to your needs. We combine state-of-the-art production capabilities, broad expertise and the talents of one of the most experienced staffs to provide you with complete signage solutions.

## ***Mission Statement***

To provide our customers with quality sign products and services that reflect our commitment to integrity and respect for customer needs. We are dedicated to exceeding expectations and recognize that satisfied customers are our future.

## ***A Total Team Approach***

At Southwest Signs, we employ knowledgeable, dedicated professionals who can address every aspect of your signage project.

- **Sales Account Managers** – Our account managers work closely with you from start to finish. They provide valuable personal services and insightful project recommendations that ensure your project is completed on time and within budget.
- **Engineers and Designers** – Our experienced engineers and designers are well versed in the latest technology. They can provide engineering specifications, design solutions and competitive pricing to meet all of your signage needs.
- **Production Specialists** – Our production specialists are skilled, reliable craftsmen that will fabricate your signage for maximum results.

## *The Difference is Experience*

More than 60 years ago, Southwest Signs began as a local service and installation company serving clients in the greater San Antonio area. Today, we have grown into a national, full-service sign company serving some of the largest, most recognizable brands. Key members of our management team have more than 200 years combined experience delivering the highest quality signage to our clients' exact specifications and budget requirements. Simply put, it pays to put our experience to work for you.

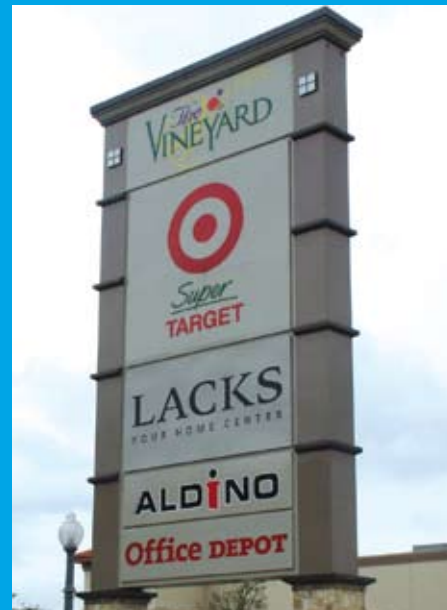

## *A Complete Signage Solution*

Southwest Signs offers all the services necessary to ensure long-term visibility and success.

- Project Management
- Computer-aided product design
- Manufacturing
- Installation – local and nationwide
- Distribution

## *Other Services*

- Maintenance and Service – We offer maintenance and service that will insure your signage maintains visibility and functionality.
- Warranty – We are committed to backing your signage solution with the most comprehensive warranty possible.
- Investigation reports – We can obtain all necessary regulatory information, including municipality sign restrictions, landlord requirements, site surveys, proposed signage, variance and permitting requirements and site maps.
